

Project #989

How to

make

to

Lincraft

Padded ironing board cover

You will need

Fabric - 160cm x 70cm for average sized ironing board (measure your ironing board and allow 15cm extra all around)

Bamboo batting - as above

Calico - as above

2.5mt of 10mm wide non-roll elastic

Pencil

Pins

Scissors

Tape measure

Sewing machine

Lay all three layers of fabric together on the floor with the batting in the middle and the calico on the top. Fold your ironing board down and lay it face down on the fabric, trace around the ironing with the pencil then cut all three layers of fabric 15cm wider all around.

Fold the edge over twice to make a casing, pin, then sew all the way around leaving a 2cm opening. Thread the elastic through the casing and sew the two ends together. Sew the opening closed.
